

ISLANDS WILL BE CONNECTED.

Wireless Telegraph System Promises to Soon be in Working Order.

The directors of the Wireless Telegraph Company are so well pleased with the progress of the work that has been done within the last few days that they have authorized Manager Cross to begin at once the construction of the line which will connect the Waialae station with the town office. Messages will be sent from the receiving station on this island to the distributing office by means of the telegraph with the usual wires and instruments.

A further proof of the utility of the system was given Sunday when those on the yacht La Paloma which has been chartered to take the expert about the islands telegraphed to Moloai that they had run short of provisions. The message was sent to this island and Manager Cross notified that his expert and party were in danger of starving. He at once telegraphed to them to put into Lahaina and purchase what they needed in the way of edibles.

MOTION FOR NEW TRIAL.

Dr. Miner Gives \$35,000 Bond Against Disposal of His Home.

Dr. Frank Leslie Miner yesterday through his attorneys filed his motion for a new trial of the divorce recently granted to Rose Miner.

He alleges that the decision was contrary to law and the evidence, in his notice for the motion he excepts to the decision and gives notice of appeal. The appeal bond is filed, and a bond of \$35,000 against the disposal of the Beretania street property with Cecil Brown and J. Alfred Magoon as sureties, is also among the records.

There was the usual band concert at Emma Square last evening. It was largely attended and the program was an excellent one.

PRaise THE PRESIDENT.

Southern Ministers Call Him a Wise Ruler and Patriot.

RICHMOND, Va., Nov. 29.—An unusual feature of Thanksgiving in this city was that two leading democratic ministers, in their sermons, took occasion to comment upon President McKinley as a wise ruler and a patriot. One was the Rev. Dr. J. B. Hawthorne, pastor of the Grove Avenue Baptist Church, and the other the Rev. John Hannon, pastor of the largest Methodist church in the city.

Dr. Hannon's reference to the president was a warm eulogy of his policy, both foreign and domestic. At its close he called upon the Rev. J. Powell Garland, the presiding elder, to pray and when in his invocation Dr. Garland referred to the president and the Philippines, Dr. Hannon, from the pulpit, shouted: "Amen! Hurrah for Uncle Sam! God bless him."

The Rev. Dr. Hawthorne, after speaking of the obliteration of sectional feeling because of the war with Spain, said:

"Following the vision of destiny that goes before her, and joining hands with the great, liberty-loving Anglo-Saxon mother, our country will henceforth extend the denediction of its beneficent influence and power until all despotisms are demolished, all governments democratized and the wide world is free."

Dr. Hannon was once pastor of the Centenary Church in San Francisco and the South Church in San Jose.

COMBINOLA NO. 2.

What's that? Thirty games on one board?

Yes, on Combinola. Well, I'll never pay a dollar, or even fifty cents apiece, for games again. Why, it's less than a shilling apiece, for all those great big nice games.

The best combination of home amusements ever offered. Thirty games on one board. Many new games added this year, such as National Exports, played with the flags of all nations, and ships marked with our principal exports. You can play as long as you can strike a country which buys your commodity. This game is statistically correct, highly instructive, and exciting.

A new arrangement of Parlor Croquet requires great skill in the players. A full set of Chessmen and the extra men for Backgammon are furnished free.
